SYNOPSIS

Angel Mercader, a severe and authoritarian doctor who educated his seven sons with the same rigor he lived under his father. He wants them all to be strong, successful and surrounded by women- real men.

Each Mercader brother has a very distinctive personality: Alonso (42) a widower tormented by the memory of his dead wife. Armando (40), unemployed, divorced and who lives with his hyperactive son; Ariel (32), the prodigal son who comes back with a great secret; Alex (30), a handsome young man who loves all women, a ladies' man; Adan (25) the sensitive son in search of true love; Amaro (23), a passionate college boy who falls in love with his mature teacher; Antonio (18), the non-prejudiced son who dates the maid's daughter.

SUMMARY

The marriage formed by Angel Mercader (successful internist doctor) and Valentina Fernandez live in the city of Viña del Mar, along with their 7 sons, with the exception of Ariel, who left the house a few years ago. After a strong fight with his father, he left the medical school and he is living in Barcelona. His father has kept this conflict secret.

Alonso, is the eldest son of Angel, 42 years old and a professor at the Faculty of Architecture of the University. Alonso was widowed 10 years ago by Catalina, who died in an accident, leaving no children but he has not been able to forget her.

The second son is Armando, 41 years old, fishing engineer, married to Consuelo Valdes, a publicist. They have a 9-year-old son (Andresito) and their marriage is not quite right. Armando is unemployed three months ago and therefore, very indebted, so the family is living in Angel and Valentina's house.

Ariel follows, who abandoned his medical studies and the country when his father discovered he was homosexual. He returns home on the same day of the celebration of the 42nd anniversary of his parents' marriage.

Then there's Alex, without a university degree, an issue that bothers his father. It has a successful pub on one of the beaches of Viña del Mar managed by Ursula, a student of Civil Engineering. Alex is nice, womanizing and all the time he is having fun.

The 5th child of the Mercader Fernández is Adam, 25 years old. It is the pride of Angel since he is a brilliant student of medicine, and he is the only one who has follow his father's career. When he was child he suffered a trauma that leads him to suffer from sexual impotence which will cost him a lot to leave.

THE BRUTAL PASSION OF SEVEN BROTHERS

Amaro is the number 1 fan of Angel. He is the most serious. He is dedicated to taking an architecture degree to get his father's attention. He spends most of the time studying conscientiously. Until everything is upset. He enters a film aesthetic workshop at the University where he meets Isabel Fuller, a teacher in the field and quite older than him, falling in love with her.

Antonio, the last of Angel's children, is 17 years old and is in 4th grade. He is a friend of Madona, also 17 years old, daughter of Clemencia Toro, employed at the service of Mr. Fanor Cruchaga.

Fernanda Garrido, graduated from Basic Pedagogy, who lives in Santiago and it's taking some vacation in Viña del Mar. She falls in love with Alex and decides to stay in the garden city. In a building, he leases a piece in the apartment he shares with Ursula and Lucas, a student of Architecture. She starts looking for Alex, who simply runs every time he sees her. To survive in the city, and for a notice that appears in the newspaper, she attends a job to teach a child. The announcement has been made by Angel and of all those who present her, she chooses her for being the prettiest, since she pretends that this teacher, along with teaching her grandson, seduces Adam, in fact this is the most important thing for Angel Mercader. In her first class, Fernanda realizes that the boy lives in Alex's house and that he is his nephew. Alex visits Soraya at night, and in one of his nocturnal incursions he is surprised by Fernanda breaking the relationship between both.

Adam for 2 years has maintained a relationship with Belen Cruchaga, he is not in love with her. She wants to give him body and soul, but fails to realize their aspirations, so at the anniversary party of her inlaws and, in the midst of an attack of anger and frustration, Belen screams loudly that Adam is still virgin. Impact on everyone, especially on Angel who can not conceive that his favorite son, whom he has as an example, has not yet had sexual relations. Adam breaks with Belen and is attracted to Fernanda.

Mr. Fanor Cruchaga is a talented gynecologist and his professional life will have a substantive change that will surprise everyone. Without wanting he will find out a secret that he must keep for a long time.

Estela Salazar, mother of Monica and Kiara owns a used clothing store that she runs with Monica, costume designer. When she can no longer deal with the problems with her daughters, Estela brings her ex-husband, who is rejected by his daughters, since he left them 15 years ago, leaving with a younger woman. Estela had to carry the expenses of the house all this years, the education of her daughters and as if that was not enough, with the guilt of having an affair with Angel Mercader, husband of her best friend.

SYNOPSIS **PER** EPISODE

EPISODE 1- THE PARTY

Angel Mercader is the patriarch of a family composed of 7 attractive males, whom he traditionally called with names that started with the letter "A"; Alonso, Armando, Ariel, Alex, Adam, Amaro and Antonio. Angel is about to celebrate his 42 years of marriage with his wife, Valentina, but before starting the commemoration, he visits Sonia a simple and candid woman who has been her lover for the past 12 years.

Ariel, the fourth of the Mercader, returns home after spending 10 years in Europe to settle accounts with his father, who can't forgive for separated him from his family, for causes that only he and Angel know and condemn them to live a continuous and bitter secret. Angel accepts the arrival of Ariel, under his strict conditions and with the rest of his children he offers a party to celebrate his wedding anniversary. He thanks his wife for the fidelity given for so many years, and congratulates each of his sons, especially Adam, his favorite son, who has followed in his father's footsteps in the invaluable path of medicine.

The party has an ominous end when Belem, the girlfriend of Adam felt by the indifference of this one, and with a few drinks more, shouts before all the present audience that Adam is still a virgin. At the desk, the patriarch calls to order and forces his son to deny the affirmations of Belem, but Adam on the contrary, confirms what has been said.

Angel overwhelmed by family problems, seeks refuge in Sonia, who tries to make the already broken and routine relationship, something more passionate and different, but for Angel the custom and false hopes are part of his love with Sonia. In turn, Fernanda a young teacher recently graduated, desperately looking for where to stay in the city Viña del Mar. She is determined to continue her romance with Alex, the most womanizing and bohemian male of all the Merchants, whom she met during the summer. What Fernanda ignores is that Alex, not only swears eternal love to her, but also to Soraya, the employee of the house and to Monica, Benjamín's girlfriend, his best friend.

Angel, willing to make his favorite son, Adam lose his virginity, manipulates the situation so that a beautiful and attractive teacher comes to the house to teach classes to Andresito, his grandson, son of Armando. So Fernanda arrives at the house of the Mercader attracted by a notice in the newspaper, Angel interviews without knowing that it is also Alex's house, and without imagining that he will meet Adam, the charismatic young favorite of his father.
