

**DO YOU WANT TO KNOW NEW PLACES?
HERE WE HAVE PLENTY OF RECOMMENDATIONS.**

Synopsis

In a city as rich in cultural proposals as Mexico, Itinerary is a must. This tv magazine, hosted by María Roiz and Tamara de Anda, is dedicated to the various expressions of the cultural agenda of Mexico .

The programs are above all a wink of the eye: every week we are preparing our own itineraries à la carte and discussing multiple alternative choices. Itinerary is about looking, knowing, visiting, tasting, recommending, imagining, remembering, experiencing, traveling, listening, smelling, touching, proposing, rescuing, seducing and enjoying! It is about the places, characters and events that Mexico City and other locations in the country offer us constantly, as well as what's on the current cultural agenda.

Do not miss anything related to museums, books, cinema, music, performing arts, gastronomic tours, secret corners and much more ...
