

EVIL DO NOT KNOW OF GENERATIONS.

Synopsis

Before you understand life and its principles, you have to understand death. That is the premise of detectives Alfonso Guardia and Jonas García to solve the grim cases of violence presented to them.

"Guardia-Garcia", during its 10 one-hour episodes , portrays the irretrievable and complicated alliance between two forensics, Alfonso Guardia and Jonas García. The first is recognized for his extensive experience and intuition in case resolution: he has captured the most brutal serial killers; however, the cost has been the distancing of his daughter and wife, which is disturbing him.

Garcia, a talented student of the forensic sciences career, is forced to work with his long-time inspiration . His stubbornness and inexperience teach him to become humble and learn to practice his profession. Together they make a complex, but effective team.
