DEATH LURKS AT THE END OF THE WORLD

Storyline

Helga Gunkel and Flora Gutierrez are the first women of the tax police, In their first mission they are sent to Kerrén, a small village located on the Big Island of Tierra de Fuego, where they investigate the theft of Sigfried, a fine blood horse owned by Don Raymond Gamper, a powerful mentero of German origin, owner of everything and everyone.

This simple case hides a criminal who has returned for revenge, starting a series of other crimes that the people prefer to ignore, however, for Helga and Flora, transforms into a mysterious puzzle of intrigues that will have to be elucidated.
