PELELES

TODO HOMBRE TIENE SU LIMITE

Telenovela
96x45'

Seis hombres, injustamente despedidos y llenos de ira, forman una inexperta banda de asaltantes para robar a la empresa de transportes donde solían trabajar. Pero ellos no saben que el nuevo dueño es uno de los mafiosos más peligrosos de Ciudad del Este y todo Sudamérica - 'El chileno'.

Lo que iba a ser una travesura por despecho, se transformará en un espiral de peligros que los obligará a moverse en el mundo del hampa.

Su mayor miedo no será escapar de la policía ni de los malos, sino enfrentar a sus esposas y aparentar la vida normal de siempre: cambiar pañales, ir al supermercado o llevar a la suegra al geriatra.

Six men, unfairly dismissed from their jobs, decide to take revenge and form an inexperienced band to rob the trucks of their old transport company. But what they ignore is that the new owner is one of the most dangerous mobsters of all Ciudad de Este and South America - 'El Chileno'.

What started just as a one-time robbery (out of vengeance) turns out to be a spiral of unexpected dangers that will force them to move into the underworld.

Their worst fear won't be escaping from the police or the bad guys, but to face their wives and pretend to have a normal life, which includes: changing diapers, going to the mall and even taking their mother-in-law to the physician.
